To everyone at N.E.T.:

I want to personally thank everyone at N.E.T. for going above and beyond the competition to service Sawyer Nursery's freight needs. Deb has done an awesome job as dispatcher and goes the extra mile to cover our loads and keep me informed of driver's progress.

Communication is excellent and service is second to none. The drivers are professional and understand the unique needs of delivering live nursery product directly to the retailer. I want to thank everyone on staff at N.E.T. for their hard work and positive attitude during the stressful nursery season. Everyone at N.E.T. does a great job and help make spring shipping a lot less stressful for me and my staff.

I appreciate all you've done for us over the years and look forward to many more successful seasons with N.E.T.

Sincerely,

--
